

W.D.A. Newsletter

December 2016

Welcome to our 20th year at WDA, I can't believe how the time has flown. I look back with pride at the pupils' successes and also to all our current pupils' achievements.

Examinations

We have had a busy term of ballet, modern and tap exams, and it has been a pleasure to watch all the students flourish and excel, but most of all to their commitment, focus and enjoyment.

I do need to congratulate all the pupils who took their exams in the summer, you all got fabulous results. Autumn term results will be out in January.

Timetable

Please note due to the exams we have had to make minor changes to the timetable, so please check your timings. Also there will be no registration this term, so please ensure payment is received before the term starts, or during the first week. There will be no discounts for late payments and surcharges may be applied.

Presentation

We will be holding our presentation and demonstration on Friday March 24th, venue and times to be confirmed. I hope to see you all there.

Summer School

Summer School will be held week commencing 31st July, please let Vicki or myself know if you are interested.

And Last but not least

Thank you to all our lovely faculty, Vicki, Chris, Amy Howard and David. Also to Lehn Hill for making our pupils projects look so beautiful in our exam room, the examiner was very impressed.

I hope you all have a great Christmas and New Year xx
